Number 07, July, 2022

Greetings Olympia Area MOAA Chapter Members,

I hope everyone else is staying healthy. Sorry to report I am isolating at home after testing positive with COVID, luckily my symptoms are not serious, probably because I am fully vaccinated and boosted, yay science!

Early June was a very exciting time for me as your chapter president. I had a wonderful time attending the Region Leaders Workshop and several high school awards ceremonies. I took lots of notes at the Washington State Council of Chapters, accepted the Communications Awards on behalf of the chapter, helped update the council bylaws and compared notes with my fellow chapter presidents. Continued taking notes during the workshops on tips from chapters, council and national representatives on tools and programs that might be of use to us. I hope to put what I have learned to work for all of us. I attended four high school awards ceremonies (five if you count the NJROTC awards ceremony in May). It was so inspiring hearing about all the achievements and aspirations of these young people who have accomplished so much despite having to complete high school during the “COVID years.” It was a pleasure to present some of them with \$1,000 scholarships to assist them in their academic pursuits.

My thanks to those who attended our June meeting. We gathered at the Red Lion, now called Olympia Hotel. It proved to be a very effective venue for us with a spacious room, plenty of food and good service for the price. Things went so well that we voted to meet at the Red Lion/Olympia Hotel again in July. Slots has lined up a representative from Fisher House as our guest speaker to tell us about their facilities and programs. We do need to RSVP and place dinner orders ahead of time, just like last month.

I invite you to join me in presenting gold bars to the newest National Guard OCS graduates on 28 July at 1700 on JBLM North. This will be an informal pre-graduation event with more of an opportunity for interaction.

Barbara Nichols will turn 100 on 19 August 2022! She is a special lady. A retired Army nurse, Barb served in WWII, Korea and Vietnam. She has an amazing life story recently featured on local news:

<https://komonews.com/news/erics-heroes/erics-heroes-barbara-the-battlefield-nurse>

I would like to suggest everyone send her a birthday greeting, as she loves getting cards. Barb is residing at Panorama’s Gentle Care Facility, 1600 Sleater Kinney Rd SW, Lacey, WA 98503, and that would be the address for sending cards. Her DAR colleagues are also planning a party for her, and we are invited! The party will be at **1100, 19 Aug 2022, at the Fort Lewis Army Museum**. If you think you can make it to this special event, please RSVP to me (candrnielson@comcast.net or 847-361-7917), so I can provide a good number to the party organizer. It would be great to make a good showing for this special Army veteran and Olympia MOAA chapter member.

One more special event this month: a fundraising night for Santa’s Castle at the Red Robin on Galaxy Drive in Lacey. All you have to do is mention the fundraiser while enjoying a meal there between **4-8pm on 14 July** and 20% of the proceeds will go to Santa’s Castle. Sounds like a win-win for diners and one of our favorite causes.

Stay safe and stay well.

Time to Donate to Fisher House

For 30 years, the Fisher House program has provided “a home away from home” for families of patients receiving medical care at major military and VA medical centers. These homes offer free, temporary lodging to military and veterans’ families, allowing them to be close to their loved one during a medical crisis and focus on what’s important – the healing process. There are 91 Fisher Houses located in the US, Germany and United Kingdom. We are fortunate to have two on JBLM. Fisher House Foundation receives 4 out of 4 stars from Charity Navigator and an A+ grade from Charity Watch. Along with providing free lodging, their Hero Programs allow donated frequent flyer miles and hotel points to be used to bring family members to the bedside of injured or ill service members, and the Foundation offers scholarships for military spouses and children

Fisher House depends on donations from individuals and organizations such as Olympia Area MOAA for the bulk of its funding. They also rely on the support of volunteers to help keep their houses feeling like homes, to assist in fundraising efforts and to explore donation options. If you have questions regarding Madigan’s Fisher Houses, the acting director is Vattana Garcia at (253)964-9283, or vattana.garcia.naf@mail.mil

We ask that you show your support for our active duty and veterans and their families in times of distress by generously donating to Fisher House this quarter. Our contributions to Madigan’s Fisher Houses go a long way in providing residents with food, toiletries, household items, computers, phone cards and much more.

Treasurer’s Comments

Thanks to your annual dues and ongoing donations to our charitable programs, our chapter remains financially sound. Our expenses to date are well within the budget approved at our last annual meeting. For this quarter, we target donations to Fisher House, which relies primarily on donations for its operations, so your generosity is appreciated. We continue to support our Scholarship Program with donations throughout the year. This year, we were able to grant \$5000 in scholarships to local high school students. We have awarded \$3000 to date with two awards pending school enrollment confirmation. With both of these programs, we are enhancing the MOAA brand within our community!

Barb Nichols to Turn 100!!

On August 19, 2022, our very own Barbara Nichols, retired Army Nurse extraordinaire, will turn 100 years old! Come help her celebrate at 1100 at the Fort Lewis Army Museum on JBLM.

Legislative note:

Our VLC (led by Jerry Fugich) expressed concern over VA's decision to reduce services in eastern WA. Senator Patty Murray led the charge to stop consideration of these cuts.

Rep Derek Kilmer, in conjunction with MOAA advocacy and fellow WA Members of Congress, are putting the brakes on DoD cutting medical billets and requiring DoD in the FY2023 NDAA to report and justify any proposed cuts.

June Chapter Meeting

We met at the Red Lion, which is apparently now called the Olympia Hotel, for the first time in June. The room was spacious and accessible. The food was plentiful for the price and the service was good. We had a fully stocked and manned bar at our disposal throughout our meeting. The membership voted to return to this venue for the next few months while we coordinate an eventual return to Panorama (word is they are starting to do banquets, but only lunches at this time). Our guest speaker was Thurston County Sheriff Snaza who gave an interesting talk about his office, some of the trends and challenges they currently face. We were pleased to be joined by three of our scholarship students, a couple of their family members, a couple of new members and at least one guest.

July Chapter Meeting

We will meet at the Red Lion, now the Olympia, Hotel, 2300 Evergreen Park Dr, Olympia, WA, on **Wednesday, 20 July**. We **gather at 5:30** for social, with dinner served at 6:00. This month we will be asking everyone to RSVP and place their orders ahead of time. The cost for the dinner will be \$28 per person. The fee will include pre-set water/iced tea, coffee service, starter salad, jalapeno cheddar corn bread, chef's choice dessert, choice of one of three entrees: barbeque chicken, smoked beef tips, or mixed vegetable kebabs, all of which are served with smoky baked beans and buttermilk potato salad. The price includes tax and tip.

I have modified our usual dues/charity contribution form to include a dinner RSVP/order line. You can print/cut it out and mail it to the chapter mailbox with your RSVP/dinner order. Or you can call or email the chapter president or treasurer to RSVP and place your order. You can send your check, to include payment for the dinner as well as any charitable contribution, in with the order form, or you can pay at the door when you come to the dinner, BUT you **must RSVP NLT morning of 18 July for dinner**. We have to give numbers to the restaurant beforehand. If you pay at the door, we can accept check or exact change cash.

For Panorama residents, DeFrance Clarke has reserved a bus for transportation. He will need to provide names of those wishing to ride the bus to and from dinner, so the right size bus can be provided and residents' accounts can be properly charged for the ride (\$3 each). Please RSVP to DeFrance at defrance@usa.net to let him know if you plan to ride the Panorama bus. ****Please RSVP no later than 15 July for bus transport.**

Based on a vote of the members at the last meeting, we will not be holding raffles at the meetings. Our guest speaker this month will be a representative from Fisher House to provide us an update on their services.

Surviving Spouse Corner

MOAA has a Surviving Spouse virtual chapter! Surviving Spouses from around the world can join and meet other spouses with whom they may share similar stories and/or from whom they might learn valuable information about navigating the world of military spouse life. Individuals can belong to both a virtual chapter and a geographic chapter (like our Olympia Area chapter). If you go to the MOAA website, it has an “I am a ___” drop down menu. Once you select “Surviving Spouse”, you will find a world of interesting information, including information and a link for an application to join the virtual chapter. Contact mssvc02@gmail.com for information.

Now there is even a private MOAA Surviving Spouses & Friends Facebook group.

During Leaders Workshop Surviving Spouse Session, they recommended a “Day After Calls” document from a Minnesota MOAA Chapter, which provides a lot of food for thought and would serve as a good reference in the event of the loss of a spouse: moaa.org/dayafter

MOAA Virtual Chapters

MOAA now has four virtual chapters: the [Uniformed Services Nurse Advocates Virtual Chapter](#), the [Surviving Spouse Virtual Chapter](#), the [Public Health Service Virtual Chapter](#), and the [Chaplains Virtual Chapter](#). MOAA’s virtual chapters are growing, successfully executing their respective missions, and complementing the efforts and membership growth of geographic chapters. MOAA National would like to continue to establish new virtual chapters to promote camaraderie amongst affinity groups and reach even more potential members.
