Presidents Note

Greetings and Happy Thanksgiving to all! We had 25 members turnout for our November Annual Meeting luncheon at Panorama's seventeen51 restaurant and bistro. This was a busy meeting with a lot of moving parts. After the Pledge of Allegiance and Invocation, Chaplain Doug White led us through our annual 2-Bell Memorial Ceremony. Among those honored were Barbara Lind, USA, Surviving Spouse; Judy Ann Jones, USN, Surviving Spouse; Lawrance Sparks, Col, USAF; Roger Englar, LtCol, USAF; and James McElroy, MG, USA. Please offer a prayer to our departed members.

Next, Bob Jones, founder of Thurston County Vet Services and long-time chapter member presented the Chapter with a check for \$250 to help with our Sports Ball Drive- Hooah! And, before lunch was served, Dana Clay, LCDR (ret), USN and current WSCOC President offered insights and observations from the state council and MOAA national level. Two key points Dana made were to emphasize the importance of chapter members being active in the MOAA Legislative Action Center and the change to MOAA's privacy policy requiring members to opt-out verses opt-in to activate receipt of Chapter and Council emails. Through 30 September, we have 33-chapter members registered with the Legislative Action Center who submitted 77 actions. State-wide, among chapter and council members there are 279 registered advocates who submitted 887 actions; top chapter in the state is Whidbey Island with 60 registrants and 305 actions. Our participation is important because this will be a scored Chapter of Excellence evaluation activity in 2026.

After lunch was served, we went into our Annual Meeting and reviewed a wide-variety of activities. The slides will be available on our website and the among the highlights- we're financially solid, thanks to your generosity we either met or exceeded our goals for Santa's Castle, USO, and Fisher House donations and were able to support 4-\$1,000 scholarships. Several By-law changes were proposed and for the most part, these serve to clarify confusing language in our current by-laws and help clarify our records retention and management. Approved by the members present were the

recommended changes to the by-laws, the 2026 Officer and Board Member slate, the 2026 Budget, and retaining annual dues at \$20/\$10.

We also received several letters from Shelton HS NJROTC Cadets asking for our support of their program. Treasurer, Bill Moseley passed these out to members who wished to volunteer and support a cadet. Donations will be sent either individually or through the chapter to the NJROTC Booster club and then used to support travel, and other activities that enhance the NJROTC program and cadet experiences. Plus, many thanks to those who have donated books to our drive to help stock a reading library at the Shelton Veterans Village. Hooah!

As previously indicated, due to the scheduling of the Resident Holiday Reception on Dec 17, our December Holiday Luncheon will be held on the 2nd Wednesday, Dec 10. Our luncheon will begin with a social at 11:30 AM with the meeting called to order at 12:00. This is a plated meal that includes a salad, main course, 2-side dishes, and dessert. Our holiday entertainment will be provided by Latitude 47. I hope to see each of you there.

Finally, this is the month we collect sports-balls for Santa's Castle. We will collect the balls on Saturday, Nov 22, between 10 AM- 2 PM at the Olympia Elks Lodge, 1818 Fourth Ave E, Olympia, WA 98506 and then deliver them to Santa's Castle. Although I don't yet know the number of balls we will collect, in advance, I want to thank each of you for your kindness and generous support of this initiative as this year has been especially difficult for junior enlisted families. Thank you.

Our December board meeting is cancelled and our next chapter meeting is Wednesday, Dec 10, social @ 11:30 AM, meeting called to order at 12:00. The location is Panorama's seventeen51 restaurant and bistro. Officer and Board member installation will take place at our December 10 meeting and our first board meeting in 2026 is Wednesday, Jan 14, 5:30 PM via Teams. See you on the 10th.

Fisher House Support Project

By Bill Moseley

The Joint Base Lewis McChord Fisher House is a “home away from home” for military families faced with a medical tragedy. Families stay at the house so that they can stay close to their loved ones that are receiving treatment at Madigan Army Medical Center or other medical treatment facilities in the area. The house is equipped with most of the amenities except food, hygiene items and cleaning supplies for their rooms. Each year, our chapter makes a monetary donation to Fisher House to help it sustain its operations. However, there is an ongoing need for food and miscellaneous items that are reflected on the list below. If you can donate any of the items, please bring them to our Dec luncheon meeting where you will see some donation boxes in the room. Thanks for supporting our Fisher House military families.

Shelton Veterans Village– by Ro Marcus

Shelton Veterans Village maintains a small library for its residents, who are avid readers. To help its library, the Chapter held a book drive to collect books that could be donated to the Village library.

I am happy to report that the Chapter collected close to 100 books for the Village. I delivered the books to Dave Redman, the Village Program Supervisor, on November 14th. He was extremely thankful to our generous donation and said that the residents will truly benefit from this donation.

In addition to the book drive, I am working with Dave on an application for MOAA's Community Outreach Grant. We could potentially

receive up to a \$5000 grant that would benefit the Village residents. Some ideas we developed is for the grant to purchase items that would go in a new

resident welcome bag, to get them started on their new independent living at the Village. We could purchase the items, put the bags together and help give them out when new residents arrive. The new resident welcome bag contains a hygiene kit, some initial food to get them started, and bedding. Other ideas are welcome. Thanks again to everyone who donated books for the Village. You are making a difference in the lives of veterans who are trying to get back on their feet.

OLYMPIA MOAA SCHOLARSHIP FUND

Donations are accepted year-round for the Olympia Area MOAA Scholarship fund, as we open the 2026 season. For the 2026 Scholarship season, the board voted to limit eligibility to all the members of the Shelton and New Market NJROTC programs. The instructors will provide the students with eligibility and application guidelines, and we will conduct the program as in previous years, just with a smaller pool of candidates

No Shutdown Should Stop Servicemember Pay - The Pay Our Troops Act of 2026/Pay Our Military Act of 2025 (H.R. 5401/S. 3002) would guarantee the Armed Forces, which statutorily includes the Coast Guard, continue to receive pay and allowances during any lapses in appropriations in FY 2026. Unfortunately, the bill leaves out the USPHS Commissioned Corps and the NOAA Corps.

Our servicemembers and their families stand ready to serve through any crisis. Congress must provide them the certainty of uninterrupted pay so they can remain focused on the mission, not financial hardship.

Urge your elected officials to cosponsor and support this bill, and to do all that they can to fight for the inclusion of USPHS and NOAA servicemembers in this much-needed legislation.

November's 2 Bell Ceremony

At our annual meeting in November, we held the 2 Bell Ceremony honoring the memory of those members we have lost over the past year or so. Members honored were:

James McElroy, MG, USA.

Chapter Demographics

Submitted by CDR Christine McManus

Who makes up the Olympia MOAA chapter? Here are a couple of fun word clouds based on our demographics – the size of the words is proportional to the population of that group in the chapter.

For instance, 34 of our active members were or are directly affiliated with the US Army, 12 with the US Navy, 9 with the US Air Force, 2 with the US Coast Guard, 1 with the Washington Air National Guard, and we have 20 surviving spouses.

In our rank distribution, we're more distributed. All of our surviving spouses are widows, hence our large collection of "Mrs" rank. Beyond that we have 14 Colonels, 10 Lieutenant Colonels, 10 Majors, 7 Captains (Navy Version), 6 Commanders, 2 Captains (Army / Air Force version), 2 Chief Warrant Officer 3, 2 Chief Warrant Officer 2 and one each of Chief Warrant Officer 3 and 5.

Where we live is both easier and more complicated – we're largely evenly divided between Olympia and Lacey, with 36 members in Olympia and 33 in Lacey. After that, there are 3 members in Tumwater, 3 in Yelm and then one each in Roy, Centralian, Lakewood and Puyallup.

How do we get the Bugle? Mostly by email – 24 of us use a Comcast.net account, 21 use Gmail and most of the rest use other web mail services like AOL or Hotmail. And 7 members still get the Bugle in hard copy, having no email at all! Must make clicking on those links harder.
